

Wet Horse Chase Leads to Lost Goat

By Jon Thompson

The morning didn't start off right for Dan Waggoner last Friday.

First, he got back late to his house along Jones Lake Road the night before at 4 a.m. from a business trip in Grand Rapids. Then, when he got up at 6:30 a.m. to take his daughter into town, he found she left the gate open to their corral and their two horses and goat were gone.

The morning got worse, if you can believe it. He bounced along in his little car driving on the rough Lewiston Grade following horse tracks for more than 10 miles.

Finally his luck changed - for a moment - as he discovered Chet Johnston and Bill Worden had caught the two horses near the Dial-A-Ride office at the Grayling McNamara Airport.

But then the bad luck clouds and some real cumulonimbus clouds gathered over his head again as he decided to ride the horses home along the trail to look for the goat that had followed the horses part of the way. A mile down the trail a downpour started.

Despite the rain Waggoner, the owner of the Scrub-Board Laundromat, found the goat and later in the day was able to joke about the wet horse and goat chase.

"You want to know what kind of horses they are?" he asked. "They're dumb horses, that's what kind they are."

Chet Johnston and Bill Worden also got a laugh out of the horses who showed up at the Dial-A-Ride office at 5:45 a.m.

"They must have heard we were in a pinch here with a bus down," Johnston kidded. "That was awful nice of them to come ten miles to volunteer to help us out."

Fire Damages Maple Forest Home

A fire believed to have started from a wood stove damaged the Art Canfield residence in Maple Forest Township last Friday. The Fire Dept., Top of Michigan crew, and Crawford Co. Sheriff Dept. responded to the 1 p.m. call at the house near County Rd. 612 and M-83.

A Livonia man was injured April 27 near Old 27 and Four Mile Rd. when a van rolled over at 6:16 a.m. Thomas Mariotti was taken to Mercy Hospital by the Crawford Co. Ambulance Corps. Davis Savin, of Haslett, also in the van, was not injured.

Meeting with National Guard Scheduled in Lovells May 7

The AuSable North Branch Area Association is holding a special meeting with personnel from the Michigan National Guard and the Air National Guard in an effort to develop a closer line of communication between the Guard and private citizens.

The meeting will be held in the Lovells Township Hall Saturday, May 7, at 10 a.m. The Township Hall is located at County Rd. 612 and Twin Bridges Rd. next to the fire station.

St. Jude Bike-A-Thon Saturday

On Saturday, May 7, local kids will be participating in the annual Bike-A-Thon to raise funds for St. Jude's Children's Hospital and their program of cancer research in children.

The Bike-A-Thon will get underway at 10:00 a.m. at Hanson Park. Riders will be riding in the Karen Woods area and local residents are asked to drive with extreme care in that area Saturday.

Guards Hosting Roast Beef Dinner

The Camp Grayling National Guards will be holding a fund raiser Roast Beef Dinner on Friday, May 20, at the Camp Grayling Armory. Cost is \$4 for adults and \$2 for children under 10. The proceeds will go to the Milltown Festival Committee.

Cancer Crusade Begins In County

"How you live may save your life! — This is the theme of the 1983 educational and fundraising Cancer Crusade beginning May 1," said Valerie Lehti, vice-president of the Crawford County Unit of the American Cancer Society.

"The Crusade this year has very personal meaning for every citizen of Crawford County because it confronts us with questions about our lifestyle and environments and the ways in which these may relate to cancer," Mrs. Lehti said.

The Cancer Crusade volunteers will be distributing a new American Cancer Society folder, "Your Self-Test on Cancer Risks". The folder features questions that can be answered simply "Yes" or "No", such as "Do you smoke cigarettes?" or "Have any of your close relatives had breast cancer?" The significance of the answers is explained and safeguards suggested.

The 1983 Cancer Crusade Chairmen for Crawford County are Nancy Dean and Cathy Hickey.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 3-8 and 10-11 May 83.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 a.m. on 7 May 83 and cease at 3:00 p.m. 8 May 83.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 9:00 a.m. (Daily) and cease at 5:00 p.m. (Daily).

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

BABES IN ARMS—Why is Shawn Lovely walking all over George Morse? Is George defeated or will he come back? Stay tuned for more scenes from the GHS musical production Thursday, Friday, and Saturday. Lovely and Morse perform in the lead dance roles.

Large GHS Cast Presenting "Babes in Arms" May 5, 6, & 7

The 1937 smash Broadway Musical Hit "Babes in Arms" will open on Thursday evening, May 5 at the Joseph Stripe Auditorium. The Rodgers and Hart show will be presented for two additional performances on Friday and Saturday evenings, May 6 and 7. The production is being staged by the Grayling High School Players and curtain time has been set at 8:15 p.m. Reserved seat tickets are presently on sale at the Grayling Mercantile in downtown Grayling. Tickets will remain on sale at the Mercantile until 5:00 p.m. the day of the performance when they will be moved to the box office at the auditorium.

Appearing in the starring role of Valentine White will be Grayling High School senior and veteran actor Tim Taylor. Tim has been appearing on the Grayling stage since the early days of Kid's Theatre and can be remembered for his appearances in "Music Man", "Guys and Dolls" and last season's production of "Two by Two". His most recent accomplishment on the Grayling stage was his recreation of the role of Norman Thayer in the delightful, "On Golden Pond".

Playing the top actress spot in "Babes in Arms" will be Grayling Junior Shelly Leal. Shelly has appeared several times previously in

G.H.S. Player's dramatic productions but this is her first performance as a major role in a musical production.

One of the highlights of "Babes in Arms" is the large number of very intricate and colorful dance numbers. Playing the support roles of Gus Field and Terry Thompson, as well as the lead dance positions will be senior George Morse and junior Shawn Lovely. George is also a long time veteran of the Grayling stage, dating back to Kid's Theatre. Last season he played the role of Noah in "Two by Two" and this year appeared as the leading character in "Heaven Can Wait". This performance of "Babes in Arms" will be Miss Lovely's debut performance.

"Babes in Arms" is filled to the brim with delightful characters who are sure to win your heart and tickle your funny bone as they fill the show with delightful dances, beautiful music and humorous characterizations. Singing her way into the hearts of this year's audience is sure to be junior Zann Lindsay, playing the role of Bunny Byron. Last season See "Babes" on Page 13

CRAWFORD TURKEY—Jared Emerick, 32, of Lovells, shot this 18½ pound turkey April 28 with the help of Steve Davis, of Lewiston, who was doing the calling. This is Emerick's first year for turkey hunting and he bagged his bird on the last day of his four-day license.

Maple Forest Twp. Eyes Special Election

Maple Forest Township may hold a special election within 60 days to decide about fire protection.

The township may ask voters to determine if they want to pay Frederic or Water fire departments for protection. Right now, Frederic Township is providing fire service on a day-by-day charge. Frederic Township, who has protected Maple Forest in the past, recently asked its neighboring township to pay the same

amount Frederic Township residents pay for fire protection.

Frederic Township levies two mills a year to support its fire department. Maple Forest would have to pay about \$9000 a year for fire protection if it levied two mills against all property.

Maple Forest is currently checking out services Waters Fire Department could offer. In the meanwhile, Frederic is charging

for coverage day by day at a rate figures by multiplying two mills against the Maple Forest equalized protection by both the departments with Waters taking the northern half and Frederic the rest.

Talk about starting their own department has been hindered by a small number of volunteers available. About 20 volunteers are needed and the township has only about 350 residents.

County Takes Transfer Problems to Lansing

By Jon Thompson

Tax values of proposed transferred lands and private land in the military ranges surfaced as two major problems at a Lansing meeting last week among area legislators, DNR officials, and county and township leaders.

Fred Schaibly, Lovells Twp. Supervisor, Bernie Fowler, Grayling Twp. Supervisor, Larry Mattis, Crawford County Commissioner, Charles Rademacher, head of the DNR lands division, aides for state senators Connie Binsfeld and Mitch Irwin, and Representative Ralph Ostling met to discuss a possible transfer of 61,000 acres of DNR land to the military.

A change in tax values in the lands proposed for transfer could cost local government units a drop of \$113,000 a year in tax revenues, Mattis said. DNR land in the military ranges is currently taxed at

\$1.50 an acre or higher for ad valorem lands. Military land is taxed at 10 cents an acre.

One possible solution offered at the meeting, Mattis said, would be for Rep. Ostling to try to have a public act setting the military lands tax at 10 cents amended to \$1.50 an acre.

An old problem with private lands located within the ranges surfaced again as a proposed transfer would turn leased DNR land over to the military. Some residents were worried that pockets of private land could be condemned or military use could increase on some of the land transferred.

Rademacher told local officials the DNR could write certain restrictions such as buffer zones from private lands into any transfer agreement, but Mattis said a lot of work would have to be done to straighten out questions about private lands before any transfer should be considered.

Three Locals Win 2-Foot Brown Wins Contest

By Jon Thompson

A 24-inch brown and a 17-inch brook trout took honors over the weekend in Grayling's first Trout-A-Rama Contest.

Mark Gardiner, of Roscommon, brought in the biggest fish registering a 24-inch, 5 and ¼ pound brown. He took first prize in the brown trout division - a spinning rod and reel - for the large brown he hooked in the AuSable south branch.

Brent Mosley, of Lansing, took first place in the brook trout division with his 17 inch, 3 pound brook caught in the mainstream. He also won a rod and reel.

Ed Podoba, of Beaverton, took second place in the brown trout division with a 20½ inch, 3 pound brown caught in the mainstream. Ron Schofield, of Muskegon, took third with a 19½ inch, 1 7/8 pound brown. Podoba won a Flex-O-Lite flashlight and Schofield won a dozen trout flies.

Two Grayling men, George Warren and Roger Palmer, took second and third in the brook trout division. Warren caught a 13 7/8 inch, 1 1/8 brook and Palmer hooked a 13½ inch, 1¼ pound brook. Warren won a flashlight and

Palmer took home a dozen trout flies.

All the fish were reeled in Saturday in local streams. Ten fish were brought into the judging location at Skip's Sport Shop on M-72 West.

"The contest went well," Skip Madsen said, "Especially since it was the first time. There was a lot of interest and we'd definitely like to hold it again next year if everyone wants to."

The Trout-A-Rama contest was jointly sponsored by Skip's Sport Shop and the Grayling Chamber of Commerce. In a special drawing for persons who bought buttons for the fishing contest, Ken Chapp, of Grayling, won a folding fillet knife.

River conditions were nearly as well as can be expected Saturday for an opener. Blue skies and sunshine along with high temperatures and insect hatches greeted fishermen in the afternoon.

"Quite a few fish were caught Saturday," Madsen said. "Sunday, hardly any to speak of were caught."

Overall for the weekend fishermen traffic count was down from what might be expected with the nice weather, he said.

A Bit of Disney Comes to Milltown

Amazing luck, perseverance, and the will to blend a business establishment into the Milltown theme has resulted in an upcoming major remodeling project at Weaver's Gift Shop.

Tom and Judy Gibbons, owners of the shop made a chance telephone call to officials at Disneyworld in Florida. They explained that they were interested in how the Disney architects would go about the facelifting. The Disney officials were so intrigued with the request that they asked for information

about all aspects of the city and county including population and tourist impact.

Subsequently the Gibbons were invited to come to Disneyworld and talk to the architects. Accompanying them on the trip was Terry Dickinson, of Bay City, who

From Our Corner...

It must be spring...signs on main street show that the worms have come out of the woodwork and hibernation from the winter months...it has to take a real brave person to walk along the street and break a small tree in half...the evidence is in front of the Paint and Paper Palace, someone during Saturday night broke the small tree in half...we hope they are real proud of themselves for doing such an art...with the advent of the spring worms comes the pilfering from unlocked cars no matter where they may be parked, and also shoplifting...we do have a reprieve though in the winter...it must be too cold for the worms to travel at night...take heed from Our Corner and lock your cars if you value anything that is in them...the worms don't seem to care what they pilfer...

We didn't hear too much about the opening of trout season this past weekend...no one was around telling about the big ones that got away, even though this opening, weather wise, was one of the better we have had of late...the trout opening on the AuSable brought a couple celebrities into our hamlet...Harry Whiteley member of the Conservation Commission and Jerry Chiapetta was in town filming shots for his Michigan Outdoors Television program...

It's that time of year to be extra careful with fire...the forests in Crawford County are dry most of the time...with our type of soil it can rain all day one day and be dry the next...this caution also applies in town when you may be burning leaves and dry grass...to be on the safe side, call the Conservation Department and find out if it is ok to burn...it is better to be safe than sorry...

What They Like to See in a Paper...

A newspaper editor in Montana placed his tongue firmly in his cheek the other day, and composed a list of answers to a questionnaire on what a weekly newspaper subscriber would like to read.

Here are the responses to what the average readers desires to see:

1. My name.
2. A front page article showing how crooked the city government is most of the time.
3. My wife's name.
4. A feature article showing 25 ways on how to cheat on income tax forms.
5. My kids' names.
6. A local news item about the affair my neighbor is having.
7. A classified ad offering a new home for sale for \$4,000.
8. More news about lawbreakers.
9. Less news about lawbreakers. I was picked up last night and I should not have to pay a fine.
10. An editorial condemning high school teachers for being too liberal with "F's."
11. A wedding picture of the groom instead of the bride when he is more handsome than she is pretty.
12. A sports picture of me when I bowled 183.
13. More advertisements on things that merchants are giving away.
14. A front page picture of my neighbor being hauled out of the bar by his wife.
15. A front page spread about the deadbeat who lives across the street from me who just had his car repossessed.
16. Forget the last one. I just got word from the finance company that they're coming after my car.
17. More letters to the editor naming the crooks we have in town.

There are still a few tickets left to the Rotary Club dinner and giveaway of TV sets and appliances to be held this Thursday evening, May 5th at the Grayling Red Barn. Treat yourself and your bride to a fun filled night and help the Rotary Club in their efforts in helping their many civic projects. Tickets to the party are available from John Naour, Cornell Realty, Paul Thomson, Cornell Insurance or from any Grayling Rotarian...don't miss it...

This about takes care of this week's turkey...so we will say goodnight to T.J., Stefany and Amber, and to all of our readers, have a nice weekend and think warm weather...

The Bible Speaks

From Calvary Baptist Church

A CHRISTIAN'S RESPONSIBILITY TO GOVERNMENT

Romans 13:5-7

Last week we saw that government is ordained of God to reward good and punish evil in society. "For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the word in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil." Romans 13:4. Humanistic liberalism has attempted to reverse this principle by protecting the "rights" of the criminal and blaming the good people in society for his evil.

1. Obedience through fear of punishment. This is the first Bible principle demanding obedience to government. We need to push for the re-instatement of capital punishment and other forms of corporal punishment to restore a fear of government in those who are tempted to do evil or wrong.

2. Obedience through concern for conscience. "Wherefore ye must needs be subject, not only for wrath, but also for conscience sake." Romans 13:5. This is especially true concerning the payment of taxes. "For for this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing." As a minister of the gospel the people in my church determine my salary, and it seems wrong to me that government leaders should be able to determine their own salaries, yet that does not give you or me the right to withhold taxes. Our control over big spenders in government is at the ballot box.

3. Obedience through respect. "Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honour to whom honour." Romans 13:7.

From a small boy, I was taught at home to respect the president of the United States regardless of his politics. All of us have a personal responsibility to push for the election of the candidate we believe best qualified, but once the election is over, we owe respect to the man elected because of his office. This should go for every office of government including the policeman on the street. It bothers me to hear disrespectful talk like "copper" or "fuzz" used by spoiled brats of all ages who show contempt for the office of those who are responsible under government to enforce the laws and protect the rights of all citizens.

While we have given three Bible reasons for obedience to government, let us not forget the overriding reason above all others: "Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God..." Romans 13:1, 2a. Government is of God, and people always get the kind of government they deserve. (adv.)

Cong. Albosta's Aide To Be Here

Congressman Don Albosta has announced that his Congressional staff liaison will be in Kalkaska from 10 a.m. to 11:30 a.m. at Kalkaska Governmental Center on May 10, and the Crawford County Courthouse, Grayling, 1:30-3, May 10.

Albosta said that the staff liaison is coming to this area to assist persons who have problems with the Federal government, and to give everyone an opportunity to discuss issues of importance.

Albosta advised that constituents should bring all of the pertinent information or documents relating to their case to the meeting.

Those who find they cannot come at the scheduled time, may write Albosta's District office, 4001 US 31 South, Traverse City, Michigan 49684, call the office, at 616/943-8700, or call Albosta's Action Line... 1/800-292-4255.

G.O.P. to Meet

The Crawford County Republican Committee will meet on Wednesday, May 11 at 7:30 p.m. in the basement of the Courthouse. All interested persons are invited to attend.

Correction

We would like to apologize to Nonnie Holland for the misspelling of her name in the paper last week.

Services Held For Emma E. Porter

Mrs. Porter was born in Kingston, New York on April 22, 1907. She had been a resident of the Grayling area since 1970.

Survivors include her husband, Harold W. Porter, and 2 sons; Allan of Traverse City and Bruce of Detroit, also 4 grandchildren.

Pallbearers for the Emma E. Porter Funeral were: Bruce Porter, Allan Porter, Melvin Porter, Grant Porter, Jeffery Porter, and Francis Madden.

Fish Hatchery News

The Grayling Fish Hatchery Committee would like to recognize and thank the following organizations and persons who have donated to our community project, the restoration of the Fish Hatchery as a tourist attraction. This is a non-profit project and we hope it will be self supporting.

National Guard, Ethel Pierce, Grayling Rotary, North Mich. Land & Development, Clarence Roberts, Dr. Juntilla, Grayling State Bank, Dr. Blaha, Lois LaGrow, and Mr. Bloomquist.

Albert Mitchell, Dr. Dosch, Helen Roblin, Chap. #1681 AARP, Reginald Dairs, Order of Eastern Star, I. Roseberry, Bud Joyce, Wm. Fraser, Mr. Hirschfield, Gaylord State Bank, Kiwanis, Bob Smock, David C.A. Kemp, Grayling Women's Club, Wm. Burrick, NEMSCA, and DNR.

Also many thanks to the local merchants and businesses for the placement of donation canisters in their establishments. Also for the support of the Crawford County Board of Commissioners, the County Treasurer, and the Chamber of Commerce. Any contributions should be sent to Joe Wakeley, County Treas. earmarked for Fish Hatchery Project.

Please note: The Fish Hatchery will not be officially opened to the public until Saturday, May 21st.

Holiday Inn Hosts Twps.

More than one hundred township officials from a five-county area will meet at the Holiday Inn in Grayling on Wednesday, May 11, in quest of up-to-date information on township government. The all-day meeting is part of the Michigan Townships Association's annual District Meetings and provides seminars and workshops designed to bring expert resource people directly to township officials across the state.

A three-hour morning session will explain the newest changes in Michigan state law, attorney general opinions, and court cases that affect township functions.

Congratulations to Brian and Judy Hulbert on their new daughter Kristy Renee, born April 26, 1983 at Otsego Memorial in Gaylord. She weighed 7 lbs. 10 ozs. Grandparents are Rev. and Mrs. Robert Taylor and Eva Hulbert, great grandparents are Mr. and Mrs. Walter Desnoyers all of Frederic.

Mr. and Mrs. Walter Desnoyers were in Detroit to see his sister Jean Beck, to his brother Henry and family in Southfield, also to visit the old neighborhood, and stay with his sister, Mr. and Mrs. Stan Starzec of Westland and many of the other relations. Mrs. Desnoyers enjoyed seeing some of her old girlfriends.

Our dedication of the Frederic Fire Hall to our Fire Chief Al Long, Sunday was a great day and a nice turn out. Will have the write up for next week.

Congratulations to Eddie and Lorie Baynham on their new son Nicholas Bradley, born April 30, 1983 at Otsego Memorial in Gaylord, 7 lbs. 15 ozs. Grandparents are Mr. and Mrs. Hank Mischler of Frederic and Mr. and Mrs. Larry Baynham of Maple Forest.

Remember your Mom on Mother's Day, Sunday, May 8th.

The New Dream

By Rev. Thomas A. Bruno
Minister of
The Congregational Church
Roscommon

Aim at nothing and you are sure to hit it! We all have goals and dreams. Dreams, I believe are God-given; consequently, God is going to bless some of your dreams. So why not aspire to the greatest of your potential. This Saturday, beginning at 9:00 a.m. until 4:00 p.m., Rev. Tom Bruno will be lecturing on "Goals and Dreams" at the Holiday Inn in Grayling. Registration is \$3.50. Come, be motivated and inspired!

Have you ever watched a teenager get ready for that first date or some other important event? It is possible that as a parent you have tried for years to get them to take a bath once in awhile. NOW they stand in front of that mirror grooming themselves and putting on enough body cologne to overpower a skunk.

The last word at the mirror is "Not bad; not bad at all!" There is no question about it, they are feeling pretty good about themselves. Encourage the feeling; they are going to need it more than once in the negative world out there.

Jesus said, "You shall love thy neighbor as thyself." Loving yourself is a part of healthy living and often we have not recognized this to be as significant as it REALLY IS! Many people have difficulty loving their neighbor because they don't love themselves. That self love we give to ourselves is absolutely necessary for us to be well, spiritually and psychologically and let me add another...physically too.

The message that Jesus gave the disciples and those who would follow Him was not a new one, "Love thyself" was a way of life God gave to Israel in Lev. 19:18. From the beginning, God has wanted us to love ourselves.

Don't interrupt the teenage grooming him or herself in the mirror. Quite frankly, they are good looking. Encourage them to not only feel good about themselves, but TO LOVE, beginning with No. 1. Remember, your home is the playground for that love.

By the way, how do you feel about yourself? Don't give the pat answer from the top of your head. How do you REALLY feel? Answer from your heart!

Suit Filed To Open Federal Report on Prisons

Warren M. Hoyt, Executive Director, MPA

The Michigan Council on Crime and Delinquency (MCCD) has filed suit in the Ingham County Circuit Court, under the provisions of the Freedom of Information Act, to force public disclosure of a federal Department of Justice report on alleged civil rights violations of the state's three largest prisons.

The Department of Corrections has refused to release the report, which was completed last fall, saying public disclosure could hurt its negotiating efforts to head off a potential lawsuit from the federal government.

A newspaper article recently revealed that correcting the situations alleged in the report could cost as much as \$20 million.

Greg Hoyle, director of the MCCD, said the organization was going to court in an effort to release the report after being rebuffed last January from a request for its release.

Hoyle said the group had waited before filing the case, which was assigned to Judge James Kallman, after further unsuccessful efforts to acquire the report and securing "pro bono" legal service.

The group's Freedom of Information request was denied because the department claimed to be a law enforcement agency, which Hoyle said opinions had held it was not, and because it would violate the lawyer/client privilege.

Hoyle said the organization was not trying to inject itself into the negotiations between the department and the federal government.

"We're not asking in any way that any negotiations be held in public. All we're asked for is the finding of facts about our prisons and the preliminary solutions. These reports are essentially public documents," he said.

Hoyle continued the report should not be seen as an adversarial document, but as a way of assisting the state in dealing with the problems of prison overcrowding or poor facilities.

He also said the organization does not intend to do anything with the report, except help inform the public on prison problems. The report, he said, "can be used as a tool."

Releasing it would also "show a good faith effort to deal with the problems. It could be good for their case," Hoyle said.

Gail Light, a spokesperson for the department, repeated statements that the department intends eventually to make the report public.

"It's only in the stages of negotiation when we don't know if we'll end up in court or reach a settlement that we want to keep our relationship with the Justice Department on a friendly basis," she said.

She added that releasing the report at this time could jeopardize those negotiations.

The report deals with alleged civil rights violations at the Southern Michigan Prison in Jackson, the Michigan Reformatory in Ionia and the maximum security prison in Marquette.

All three institutions were scenes of prison disturbances in 1981.

OPERATION BENTLEY—Howard Lehti, GHS government instructor, is shown with three juniors selected to attend Operation Bentley at Olivet College from May 18-29. Karla Dosch, left, Wayne Schoonover, and Shawn Lovely will be joining the simulated government operation which helps teach the fine points of local government. GHS has been represented since 1976 at Operation Bentley.

Outstanding "Senior Citizen" Nomination

Laura Johnston
Born July 27, 1900 as Laura E. Moon in Beaver Creek Township, she has been a lifelong resident of Crawford County. Married to Norman T. Johnston, they raised (7) seven children, 4 boys and 3

girls on the same 80 acre farm she still resides on.

Things were not easy during and after the depression days and Laura worked "out" at Bennett's Cafe, Mercy Hospital, Shoppington Hotel, just to mention a few, and at the same time took care of the children, housework, farming and of course her flower and vegetable gardens.

With the death of her husband in 1964, she turned to the Church, Senior Citizen Center, R.S.V.P. for volunteer work of which she is still active in. At "82 years young" she has walked the "Big Mac" bridge for the last seven (7) years and is looking forward to the 1983 Bridge walk.

She still drives her 1970 "little green Dodge Dart" when the weather permits, attends Church every Sunday and is active in any project she is asked to participate in.

How can I relate to this? Laura E. Johnston is my "Mom", an independent and deserving person for this award!!!

Chet Johnston

Par For The Course

While everyone is waiting for better weather, activity is beginning to pick up at the club. The next regularly scheduled Happy Hour will be Friday, May 13 with an hors d'oeuvres table planned for the members. However, Gordon and his helpers have been making homemade soup and the club is open to the public for lunch.

The rain, though sparse, has helped with the greening of the course and a new face, Bill Post, a graduate of MSU's turf program, is at the club and will be the greenskeeper for the summer.

For the Wednesday morning league, play will start on May 11 with a Fun Day. Ladies, they would like your dues paid by that day and come prepared to have a good time. Lunch will be available at the club this year in place of the potluck and brown bag lunches. Regular play will start on May 18 and if you have any questions, call Carolyn at 8-5656 or Nora at 8-5046.

The first of many parties scheduled for the club this summer was held on Saturday evening, April 30, 1983, when ninety members celebrated the Opening Party of the club. Six o'clock cocktails were followed at 7:15 with a chicken cordon bleu dinner catered by M. B. Dorans. During the cocktail hour the members sampled the hors d'oeuvres table which was centered with an unusual arrangement of vegetables and onion rosettes.

Tina Kennedy with her organ music arrived for the final part of the dinner to play dinner music and then swing into some lively dance tunes which the members enjoyed for several hours. For the "Spring Fling", baskets of violets centered the tables and the clubhouse was abloom with huge attractive tissue paper flowers in spring colors.

Committee members in charge of the party were Bob and Fay Bovee, Chuck and Marilyn Fick, George and Evelyn Kent, Jerry and Shirley Parks, and Mike and Carolyn DiPonio.

KUCHAREK NAMED DRIVER OF THE YEAR—Pat Kucharek, of Grayling, was named CCPT Driver of the Year in a survey of more than 400 passengers — 20 percent of CCPT's ridership. Kucharek, a driver for three years, has carried more than 26,111 passengers and logged 82,379 miles. Bill Worden presents the Driver of the Year plaque to Kucharek.

Transportation Week May 9-13

Joining communities throughout the state, residents of Crawford County, have the opportunity to participate in the annual observance of Michigan Transportation Week, May 9th-13th.

During this week the Crawford County Transportation Authority (Dial-A-Ride), will have a "Mystery Bus" operating on Wednesday, May 11, 1983. Anyone that happens to get on the "Mystery Bus" will get a free ride!! Remember, the "Mystery Bus" could be in any part of Crawford County that day, so our riders may get a pleasant surprise upon boarding. The "Mystery Bus" will be operating all day, from 6:00 a.m. to 7:00 p.m. and is our way of celebrating Michigan Transportation Week, plus, at the same time, saying Thanks to all county residents for their support in our bus system.

Governor Blanchard proclaimed Transportation Week in Michigan to coincide with the National Recognition of the importance of Transportation - all modes - in the daily lives of this country's citizens.

"It is time again," Blanchard said, "to review our basic transportation services and determine how best they can serve both the urban and rural needs of all our citizens. It is also appropriate for us to recognize the thousands of men and women who contribute to the development and operation of our vast transportation system."

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

We in this area are blessed with fine rivers and some so-called creeks which would pass for rivers. Rivers have always been important. They have served as highways for travel and commerce, supplied water, and provided recreation. We have had our problems with rivers, most of them caused by us. Paul Bunyan had his problems with rivers too. He discovered the Powder River and thought it at first a likely place for logging operations, but its peculiarities rendered it useless. In places it was a mile deep and a foot wide, while in other places it widened out to a mile wide and a foot deep. Then there was Hot River, which was equally impossible for it scaled the calks from the boots of its loggers. After that, there was the Wild River which seemed promising until Paul discovered its water to be teeming with cougarfish, which had death-dealing claws on their tails. The Rolling River had its source on the topmost series of hills which decreased in height north and south from a central peak. Up and down these hills, cleaving the top of each one, rushed the Rolling River. At times, the waters failed to reach the tops of the hills and ran back to the valleys, but the succeeding rush of water carried all before it. Rolling River was full of "Giddyfish" which were so-called because of their antics when the waters separated at the tops of the hills and were left undecided as to which way to go. The Big Auger didn't flow flat in its bed, but flowed toward the sea like a high-speed drill. The taming of the Big Auger is a story all its own. The story of the Round River drive will bear telling someday as its locale is this area. It is a good thing that Paul took most of the wild out of our rivers, else we would still have the Little Fraud and the Big Skeery.

LIGHT BULB SALE—The Grayling Raiders new tackle football sold more than \$1000 in light bulbs last weekend and will be continuing to sell light bulbs throughout May to finance their entry into a fall football league. The money will go toward equipment and other costs. Pictured above is Jeff McClellan, Mayor Sandy Thompson, and head coach Mike Shearer.

Michigan Nurse Week is May 1-7

East Lansing—Over 65,000 registered nurses in Michigan will celebrate Michigan Nurse Week, May 1-7, 1983 and National Nurses Day, May 6.

Dorothea Milbrandt, R.N., President of the Michigan Nurses' Association described Michigan Nurse Week as an opportunity to improve public understanding of nursing. "Registered nurses touch the lives of virtually every consumer through health care and health education. The nursing profession works to assure consumers of quality health care professionals and they continually work to upgrade the quality of care given to the citizens of Michigan."

Denton Earns Army Award

Keith Denton, of Grayling, was awarded an Army Certificate of Achievement for his outstanding work in the Company E, 24th Combat Aviation Battalion.

Denton, the son of Mr. and Mrs. Charles Denton of Grayling, joined the Army in October of 1981 and is now stationed in Savannah, Georgia. He will be leaving for a tour of duty in Korea in November.

News and Directions

Mrs. Larson's first grade room is learning to follow directions. They are also reading Scholastic Magazines. They were learning about drunk driver's laws in their news. They are learning how to stop them. They like their Scholastic News Magazine. By Teresa Ferguson and Mary Beth Boone, 5th grade.

Rabbits, Rabbits, and More Rabbits

On March 31, 1983, Mr. Miller came into Miss Loft's class with three black, brown, and white rabbits. He told them what they eat. He said he keeps them in a cage. The children in Miss Loft's class enjoyed Mr. Miller bringing them in. They all got to hold and pet the rabbits too. Mr. Miller and his family live on a farm. On the farm they have 30 rabbits also. By Lana Hagon and Heather Wolverton, 5th grade.

Harsh But Fun Work

In Mrs. Benson's room they are having multiplication and division tests. In English they are sending postcards to states. In reading, the kids in level 9 are going into 10, and 10 is going into 11. In art, they are making candles.

A man wrote to the second and third grades and asked if they wanted to know anything about the Kitty Hawk, an aircraft carrier. If you want to know anything about it you can write to this address: Howe, J.H., Vtl Dir. Sec. 3, U.S.S. Kitty Hawk (CV-63), FPO San Francisco, Ca 46634. C.A.T.

On Tuesday, April 26, Mrs. Ingvarsson's first grade class began taking their C.A.T. test (California Achievement Test). This is their first time taking it. Good luck, Mrs. Ingvarsson's first grade class! By Jennifer Naour and Heather Willoughby, 5th grade.

Plants for our Mommies!

Mrs. Larson's first grade class is learning about plants. Jamie Lobsinger said that they are learning the parts of plants and how to care for them.

McKencie Kelly said, "If we don't water them, they'll die."

The students have been planting sunflowers or marigold seeds to give to their mothers. They all like working with plants and hope their mothers like the plants. By Mary Beth Boone and Teresa Ferguson, 5th grade.

Interlochen Outreach at Houghton Lake

Interlochen—In a meeting held recently on the Interlochen Arts Academy campus, Roderick Martin of the Houghton Lake School District discussed the continuance of the Interlochen Outreach program in his area with Bruce Galbraith, director of the Academy, and Donna Shugart, director of Special Events. Outreach is sponsored with the support of the Michigan Council for the Arts.

Plans were made for an exchange of student drama productions between the Houghton Lake High School and Interlochen. Martin, who directs the Houghton Lake Drama Club and teaches English in the High School explained what the exchange meant to him: "I feel that students deserve a greater exposure to cultural events than they get from watching television. They need to see first hand what the arts really are."

"Talented kids come from small towns as frequently, and maybe more frequently, than the big cities. The arts need to reach these kids too," he said.

Bruce Galbraith added that "Our Houghton Lake visits are always among the most organized of all our stops thanks to Rod. It's always a pleasure to add a Houghton Lake stop to our tour calendar."

Grayling Martial Artists Get Their Kicks in East Jordan

Sunday, April 17th, five Grayling martial artists traveled to East Jordan for the first Maharlika Kuntaw tournament.

What is Kuntaw?

Kuntaw is a Philippine fighting art incorporating the hard striking style seen in Karate, the soft circular blocks of Kung-fu and take downs (throws) typical of Judo and Aikido. It also involves training in various traditional weapons: staff, short staff, and pamakol (modified nunchaku).

Though Kuntaw has been practiced in the Grayling-Gaylord area for several years under the direction of Brian Smith (3rd degree black belt), the East Jordan tournament marks a new stage in the development of the art for this area.

In addition to being the first tournament open exclusively to students of this style, an organizational meeting was held to launch the American Maharlika Kuntaw Association. The AMKA is a non-profit organization which will over-see training, advancement and competition in Kuntaw and will sponsor tournaments and clinics in Kuntaw and other martial arts.

Classes are held at the Grayling Holiday Inn, Thursday nights at 7 p.m.

Grayling students placing at the East Jordan tournament were: Shane Jobson, white belt, 1st in sparring, 2nd in forms; James Johnston, 3rd junior sparring, 1st team sparring; Jeff Baerlochr, 3rd white belt forms; Pete Funck, 1st green belt sparring, 2nd forms, 3rd weapons.

C-Days Begin in County

What are C-Days?

Here in Crawford County
they will be the special days
when American Cancer
Society volunteers will ring
the doorbells of friends and
neighbors as part of a mon-
th-long educational and
fundraising Cancer Crusade
that begins May 1.

A special feature of C-
Days will be the distribution
of a new folder "Your Self
Test on Cancer Risks". This
little folder might help save
some lives here in Crawford
County. It offers a quiz on
one's risk of developing can-
cer. The risk increases with
age, and it depends on life-
style and one's medical his-
tory. The folder contains dif-
ferent questions for men
than for women, and also
lists safeguards that anyone
can observe to improve the
chance of not getting cancer.

C-Days also will provide
an opportunity for people to
contribute toward the sup-
port of the Society's overall
cancer control program,
which includes research,
public and professional
education, and patient ser-
vices and rehabilitation.

This is an important year
in cancer control because
the Society has launched a
massive study concerning
the relation of lifestyles and
the environment to cancer.
Everyone is urged to take
action against cancer and to
give generously when a
volunteer calls on you. For
information please call Nancy
Dean at 348-8305 or Cathy
Hickey at 348-9500.

Alaska Job Seekers Urged To Stay Home

The Alaska Department of
Labor has issued a warning
urging job seekers not to
look to Alaska for work this
summer season. Com-
missioner of Labor, Jim
Robison, says, "There are no
worker shortages in Alaska."

"Each year," Robison
says, "many job seekers
have based their decision to
come north on inaccurate or
incomplete information and
find that no jobs are avail-
able in Alaska where their
limited food and housing
dollars disappear at an ac-
celerated rate because the
cost-of-living is high."

The Alaska unemployment
rate for 1982 was 9.9%,
remaining among the 20
states most severely afflic-
ted by unemployment.

1983 VIKINGS—Touching all the bases for Grayling this year will be (back row, left to right) Shannon Conklin, Ryan Morford, Monte D'Amour, Rusty DeHart, Dan LaDuke, Mike Hickey, Jim Stewart, Ken Lademan, Jim Hill, coach Fred Wolcott, (front) Jeff Branch, Marty Harris, Ken Erb, Riley McNamara, George Duncan, Mike Keene, Dave Brooks, and Jon Nicholas.

Grand Slam Helps GHS Trounce Gaylord 16-3

Junior Marty Harris put Grayling ahead with a grand slam against Gaylord in the first inning and then came in and pitched five innings of relief to help the Vikings post their first league victory.

Grayling piled on the runs taking the second game of a doubleheader here Thursday 16-3. The Vikings dropped the first game 8-3.

Grayling jumped out to eight runs in the first inning on way to their easy win. Jon Nicholas singled, Ryan Morford doubled, Monte D'Amour reached first on an error, Jim Stewart hit an RBI single, Dan LaDuke and Jim Hill reached base on fielder choices, Jeff Branch added a RBI single, and Harris then cleared the bases with a 320-foot blast.

Grayling picked up a run in the second with a single by D'Amour and a RBI single

by LaDuke. Four walks, doubles by Hickey, LaDuke, and a single by Branch added 7 runs in the third inning.

Harris pitched six-hit ball over five innings, striking out 7 and walking only 2.

In the first game, Gaylord used four walks in the first inning to score four runs. They added two runs in the second and sixth innings.

Grayling countered with D'Amour's two-run shot in the first and a run produced by a pair of doubles by Morford and Stewart in the third.

Grayling met league defending champion Charlevoix to open the season April 25 and fell 8-0 in the first game before tying 5-5 in the second game called because of darkness.

Charlevoix scored first on a two-run 250-foot homerun down the right field line and added three unearned runs

off three Grayling errors. They picked up three more runs while Grayling could only produce two hits.

In the second game, Grayling got on the board quickly with Jim Hill walking and stealing second and third. Hickey drove him in with a single. In the fifth inning Hill walked again, Riley McNamara walked, Stewart doubled, and D'Amour cranked a three-run homerun to tie the game. In the last inning of play Grayling came up with a double play to end an inning in which Charlevoix had bases loaded with only one out.

Grayling meets Petoskey at 4 p.m. Thursday here at Cornell Field. They travel to Rogers City for a 10 a.m. game Saturday and play Onaway there Monday at 4 p.m.

Vikings Tab Pitching As Key to Good Year

The secret to the Vikings success this year will be at the mound, says head coach Fred Wolcott.

"The defense looks good, we've got the hitters - we've always had the hitters here - so the key to a winning season will be how well we pitch," Wolcott said.

He said Grayling will be led by senior Monte D'Amour, the team's leading hitter last year, and several other returning lettermen.

D'Amour, who hit .372 last season, will be pitching and playing the infield in his fourth year of varsity ball.

Junior Mike Hickey, an infielder who hit .350 last year, and pitcher-shortstop Ken Lademan, a junior who hit .273 last year, are among the best hitters returning.

Senior Jim Hill is expected to anchor the defense with play from his catcher position.

"Hill's throwing to second base this spring has been good," Wolcott said. "We should be able to hold down the other team's running."

Grayling's defense up the middle - at shortstop, second base and centerfield also looks good to Wolcott. Senior

Ryan Morford will be one of the GHS players stationed in center this year.

Other seniors returning this year are Russell DeHart, who hit .278 last year, and Jeff Kea. Returning juniors are Dave Brooks, Marty Harris, Terry Heckerthorn, Dan LaDuke, and Jim Stewart. Returning sophomores are Jeff Branch, and Jon Nicholas.

New to the squad are junior Shannon Conklin, sophomores Ken Erb and Riley McNamara, and freshman Mike Keene and George Duncan.

Expectant Parents Classes to Begin

Expectant Parent Classes, sponsored by Mercy Hospital, Grayling will be held for five weeks, beginning Wednesday, May 4. These classes will meet in the Education Conference Room from 7 to 9 p.m. and are free of charge.

Topics to be covered include nutrition, Lamaze techniques, explanation of fetal and maternal monitoring, birthing room, caesarian section support group, effects of smoking, alcohol and drugs, health department services and baby bathing.

Participants are encouraged to bring their spouse or support person to each class. A pillow will be needed for the first class session.

For more information, contact the Education office or O.B. Department at 348-5461.

Pilots

(Continued from Page 1)

difficult skills required for Nap-of-the-Earth (NOE) flight. All pilots hope the time will not come to have to perform these evasion flight techniques against an enemy force, but also realizing the uncertainty of world conditions, proficiency is tantamount to success.

The NOE training challenges the abilities of the pilot to master simultaneously such skills as: map reading at 90 miles per hour, aircraft control in various wind conditions, and obstacle avoidance. With the threat of heat-seeking missiles and radar detection, NOE training insures the pilots that his mission can be conducted in a hostile environment against a sophisticated enemy. Being involved in a training environment where mistakes can be corrected is part of this aviation training at Grayling. Accidentally deviating from the prescribed courses on the military reservation can be corrected; crossing an adjacent area of terrain feature may have drastic effects in a war zone. The majority of these pilots (approximately 85%) are Vietnam veterans whose experience in combat is considered necessary to provide the Army with the rapid mobilization of aviation resources which may be required in any future conflict. Being experienced and professional in their flying duties, these pilots strive for the perfection of their flying skills.

To insure that the goals of the aviation units are met without creating problems with other units in training or the public, an extensive briefing is conducted by the Camp Grayling aviation staff. All restrictions to flight and other local limitations required while flying at Camp Grayling are discussed. Although every effort is made to prevent problems, pilots sometimes become disoriented and stray off the NOE training areas. When this situation occurs, immediate corrective action is taken. But occasionally, flying at 90 miles per hour, a considerable distance will be traversed prior to the realization that an error has occurred.

In our continuing effort to enhance the public relations with the community, Camp Grayling offers a program that describes the various aspects of aviation training. Knowing that education and information are the keys to success, we hope that interested organizations will make use of this service by writing: Public Relations Section, ATTN: CGAVN, Camp Grayling, Grayling, MI 49738.

Senior League Meeting May 8

"Babes"

(Continued from Page 1)

Zann played Noah's wife Ester in "Two by Two". Three of the major numbers in "Babes in Arms" will be introduced by Miss Lindsay.

Other characters in this year's production include Seymour Fleming, the "Simon Legree" owner of the playhouse played by junior Troy Haag. A southern playwright Lee Calhoun will be played by freshman Kevin Reynolds. Appearing as the delightful "child-star" of the screen will be sophomore Kim Stockton and her mother Phyllis Owen will be played by freshman Kathy Allen. Troy can be remembered as Charlie from "On Golden Pond" while musical audiences will recall Kim as the Golden Girl from "Two by Two". Kathy is coming off her first major role and success, that of Ethel Thayer in "On Golden Pond".

Another actor who appeared in "On Golden Pond" as well as several previous G.H.S. Player productions is sophomore Damon Thayer. Damon will be playing the role of Steve Edwards, a Hollywood producer. The role of the Press Agent who will introduce both acts of the show as well as many of the characters in it will be junior Paul Gust.

"Babes in Arms" marks the return of the large cast Broadway Musical to the Grayling stage. It promises to be a very entertaining show and all members of the community are urged to make an effort to get out and attend at least one of the performances.

Disney

(Continued from Page 1)

has painted the murals on buildings in Grayling.

According to Tom Gibbons, letters of encouragement about the project from the Community Housing director Randy Thompson, Grayling city manager Jerry Morford, and Chamber of Commerce president Ernie Dawson opened the doors at Disneyworld. He noted that the officials realized that the remodeling had the approval of governmental officials.

Ideas on the remodeling project were furnished and the local committee was furnished with tickets to tour the Main St., U.S.A. exhibit for additional ideas. Color photographs were taken of the buildings there and were then used as a basis for the new design.

The dismantling of the old facade has begun. In the near future, a totally new building - front and side - keeping with the Milltown theme will emerge.

30-YEAR AWARD—James Failing, of Grayling, is presented a 30-year certificate of appreciation for his work in the U.S. Geological Survey. Ray Cummings, district chief of the Water Resources Division in Lansing, presents the award to Failing who has worked 27 years at the Grayling Field office.

LINCOLN DAY DINNER—Larry Reed and Bridge Hoffman discuss 10th district politics and the film "Stewards of the State" which she stars in.

The Crawford County Republican Committee had its annual Lincoln Day Dinner at the American Legion Hall on Friday, April 15 with 88 people attending. Bridget Hoffman introduced the film "Stewards of the State," and explained her part in the film and how she got the part.

Master-of-Ceremonies for the event was Larry Reed of Midland who was the Republican nominee for Congress in 1982 for the 10th district. Mr. Reed is considering also being a candidate in 1984.

The dinner, served by American Legion Post 106, under the chairmanship of Al Kesteloot, received much acclaim from those in attendance.

A drawing for prizes was held with winners being: Al Mitchell, Mary Jane Knibbs, Joyce Sorenson, Joan Hall, Bill Schuette, Bernie Fowler, and Marti Gosling. The committee thanks the merchants who donated the prizes: Mac's Drugs, Laura's Bath Shoppe, and Flowers by Josie.

Chamber Chatter

By Joyce Kolka

The WKNX radio sponsored Fishing and Camping Show at the Fashion Square Mall in Saginaw was a great success as far as the contacts with potential visitors to this area is concerned. The radio station estimates that over 100,000 persons visited the mall during the four days of the show. The interested persons zeroed in on the advantage of a ready access to outdoor recreation from their home. Most interesting was the fact that the economy did not seem to be a factor in the interest in recreation. There was some evidence that the nearness of Grayling, however, meant a significant savings in gas cost. The areas of most interest seemed to be recreation, accommodations and real estate.

On another matter, the recent Volunteer Fun Day sponsored by the Sibs for Kids organization was apparently a success with many young people and some a little older visiting the exhibits. Unfortunately though, the Milltown Fund Raising Committee did not sell a sufficient number of tickets on the Afghan and Teddy Bear to hold the drawing on that day. The committee has asked the purchasers of tickets to hold on to the stubs. Another date for the drawing will be announced in the near future.

Keep an eye on Weaver's Gift Shop for some amazing external changes. (see separate article in today's Avalanche). Tom and Judy Gibbons have gone to tremendous lengths in obtaining a plan for remodeling. Word has it that Disneyworld had a big hand in suggesting the layout.

The Industrial Development Committee at a recent meeting, decided to set May 9th as a target date for revision of the IDC Fact Book. The publication is designed to give industrial prospects a complete background on the city and county including population, labor force, existing industries, types of commercial and passenger transportation, utilities, airport date and local services.

The committee works independently of any local governmental body but many of its members are in local government. The group has dedicated itself to obtaining new industry in the area as well as assisting in expansion of existing ones.

We understand that the Crawford County Board of Commissioners is searching for a new director of the County Historical Museum. Hopefully they will find one as dedicated as recently retired director Elmer Fenton. It is an important responsibility and although a volunteer position, it is worth many thousands of dollars in terms of its value to the community.

During the next few weeks the Chamber will be conducting its Annual Membership Drive. In addition to its commercial and industrial membership categories, there is a class called Associate Membership, designed for individuals who want to see the area prosper. The contribution for that membership is \$25.00 and we hope that many of our citizens will demonstrate their interest in promoting Grayling and Crawford County by joining the Chamber.

There is another new business in Grayling. The Northern Monument Co. has opened its doors next door to Bisque and Brush on Peninsular Street. A Ribbon Cutting Ceremony will be held on Wednesday, May 4th at 10:00 a.m. Everyone is invited.

We are told that a representative for the A.L. Williams Co. dealing in insurance will soon be residing in the area full time.

The AuSable River International Canoe Marathon Committee will soon be contacting many area businesses in an effort to obtain ads for the annual program. Donations from area citizens will also be appreciated. We certainly urge all merchants to support this project since it is unique in the country and brings many visitors to the area.

Congratulations to Dr. Tomlin Risi of the Keyport Clinic who was named "Boss of the Year" at A.B.W.A.'s Boss Night Dinner. He was nominated for the award by his secretary, Maxine Geiss, who listed his many accomplishments in a letter she submitted to the organization. Best wishes to them both for a continued well working relationship!

Attend the Church of Your Choice

For many of us that's why our lives have been broad and rich and full.

Mother thought about that world outside which we must be ready for.

She saw the challenges and opportunities we would encounter... tried to prepare us for them.

She turned her own eyes to the Light that brightens life. She sought to share with us her beliefs, her faith.

On Mother's Day we're having our Family Reunion in church. We're grateful to God for the windows He has provided, and for a Mother on whom their Light was never wasted.

Law Enforcement Policy Making Seminar at KCC

On Thursday, May 12, 1983 from 1 to 5 p.m., Kirtland Community College will be sponsoring a seminar on Law Enforcement Policy Making - the Use of Deadly Force.

This seminar will be aimed at Police Firearms Instructors and Command Officers, responsible for the formation and administration of firearms/deadly force policies. It is designed to assist officers in the development of these policy guidelines, consistent with statute, recent research, and pending legislative action, and to provide background on current debates on the use of deadly force by police officers. Outlines of potential model policies will be discussed.

Cost for this seminar is \$20 per person, and pre-registration must be made in advance by calling the college at 517-275-5121, ext. 283. Participants will meet in the Library Conference Room in the Library Building on campus.

Middle School Career Exploration

The middle school career exploration classes under the supervision of Miss Karen MacDonald went to the National Guard air field on Monday, April 24th as guest of the 46th Aviation Company from Grand Ledge, Michigan.

The fifty-seven students were divided into five groups and taken to five different air craft. The officers and NCO's that operated each helicopter talked to the groups about their National Guard unit and the course of study needed in order to join an aviation unit. They stressed finishing high school and advised that reading was the most important skill to develop.

Each student was allowed to sit in the pilots seats and simulate the operation of the controls that maneuver the craft. We learned that many of the helicopters used by the National Guard are veterans of Viet Nam and carry the patched bullet holes to prove it.

This is an on going program to expose the students to a variety of careers using our local resources.

We appreciate the time given by the members of the 46th Aviation Company. The four adults who volunteered to chaperone were Doug Wilson, Gayle Mills, Kay Lyons, and Kay Guillani. The bus driver was Mary Galloway.

This field trip was funded by profits from the Penny Stretcher, the school store operated by the career education classes.

THANK YOU

A big thank you to Angie Kirkum for the beautiful surprise birthday party she planned and hosted for me at the Chief Shoppenagon Hotel.

I was never so surprised in my life. Thank you to Mr. Jack Alef and the bank for the corsage, Mayor Thompson for the Proclamation, the kitchen band and Senior Choral groups for your birthday tapes of songs, I could recognize each one of your voices, it was lovely, thank you Father Tools for the book, Angie for the cute "Book of My Life", to all those who sent cards, the 116 who came to lunch and for the gifts in the "Piggy Bank".

It was a delightful 65th birthday and one I'll never forget. God love you all.

MAIN STREET FLORALS has just what mother deserves at a price you can afford, 348-7423.

Tom and Lynn Welsh of Bridgeport have returned from an 8-day trip to Monaco which Tom had won. Their trip included tours including one to Switzerland and Italy and attending the church where they were able to get a glimpse of Prince Rainier and Princess Caroline. Their daughter, Erin, spent the time in Grayling with her grandparents, Tom and Marian Welsh, and LeRoy and Marie Akers.

Mary Hunter of Seattle was met in Traverse City last week by her parents, Les and Dena Hunter. She is visiting in Ottawa and Stratford, Ontario, and then will visit at home for some time.

Remember Mom on her day, May 8, Main Street Florals has fresh flowers for any occasion. 348-7423.

Mr. and Mrs. Joseph Stripe's daughter and family, Gary and Rhea Glisan, Julie and Dena are expected to visit for a week before departing for their new residence in Hawaii.

Bruce and Corrine Smith arrived home last Monday from Ft. Pierce, Florida, where they spent the winter. They visited their daughter and family, Doug and Kim Randall, Kerry and Bruce, in Washington, Ga., for a week enroute to their home here.

TB Making A Comeback

The world's only vaccine against tuberculosis is apparently less effective among poor, malnourished populations—those who need it most, says immunologists. TB is a persistent health problem throughout the world and scientists here have uncovered a surprising development in the body's reaction to malnutrition which could affect research on TB vaccines.

at Law

If your neighbor's tree limb hangs over your property line, you are legally entitled to remove it, as long as you do not destroy the tree.

It is unlawful to drink water or milk on a train in North Carolina.

The Sixth Amendment to the U.S. Constitution secures the right to a speedy trial in federal courts, and the Fourteenth Amendment insures that the states follow the same obligation. However, you do NOT have the right to demand a trial immediately upon accusation or arrest; the prosecution must be given a reasonable time to prepare for trial.

TRESPASS is an unlawful act committed with actual or implied violence causing injury to another person or his property.

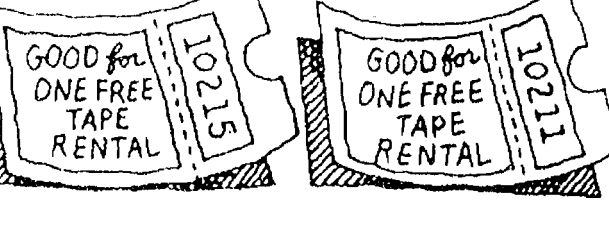

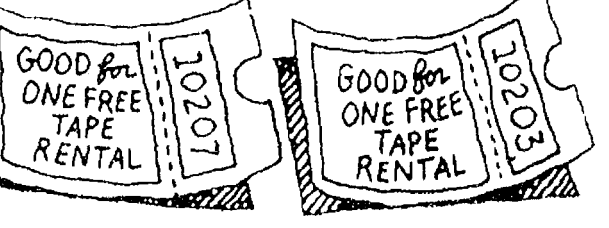

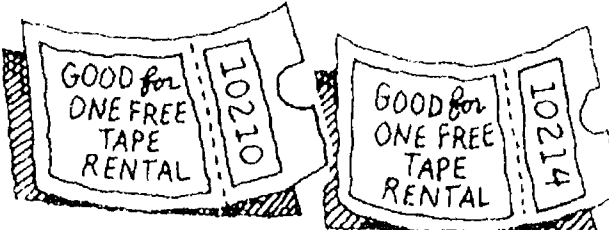

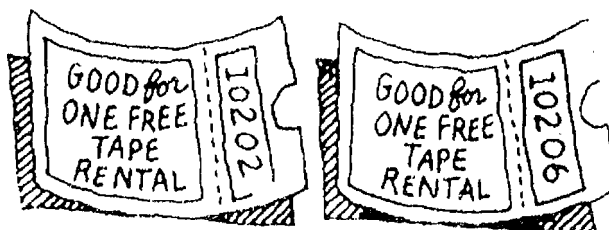

"The law's made to take care o' raskilla."
